

# ACTIVELITES

## Delivery

We can accept files supplied on the following media:

- CD or DVD
- Emailed to [artwork@ultimatemediaco.nz](mailto:artwork@ultimatemediaco.nz)
- FTP; Please contact Josh at Ultimate Media for FTP instructions.

## Static Format

Please supply artwork as a high resolution PDF with 10-20mm bleed and crop marks.

ActiveLites are printed in CMYK colour.

ACTIVELITES

## POSTER SIZE

1175mm x 1775 mm

## SAFE COPY AREA

1140mm x 1740mm

## \*MATERIAL

Plastic synthetic paper 200-238 gsm

If you are unable to provide a PDF we can accept files in the following applications:

- Illustrator CS3
- Photoshop CS3
- InDesign CS3

If you are supplying your artwork in its native format, a folder must be supplied containing all working files such as your InDesign, Photoshop or Illustrator file, along with any associated links required to print your job. Fonts MUST be converted to outline.

## Proofs

A printed copy of the finished artwork must accompany the file if you require colour matching.

## Questions

If you have any further questions, please don't hesitate to contact our Production Manager Josh Luxmoore on (09) 300 6406.
