

# BAR COASTERS

## Production Specifications

### Delivery

We can accept files supplied on the following media:  
- CD or DVD  
- Emailed to [artwork@ultimatemediaco.nz](mailto:artwork@ultimatemediaco.nz)

### File Format

We prefer PDF files but can accept: EPS, JPEG and TIF. All images are to be CMYK.

**Image Resolution:** For best results we require all colour images to be supplied at 300dpi.

**Font size and line weights:** All fonts are not to be less than 7 point and all line weights are not to be less than 0.5 point.

## Layout and Size

**Square Layout:** Final artwork to be supplied 98.5mm x 98.5mm (includes 1.75mm bleed on each side), actual coaster size 95mm x 95mm.

**Circular Layout:** Final artwork to be supplied 98.5mm x 98.5mm (includes 1.75mm bleed on each side), actual coaster diameter 95mm.

**Safe Copy Area:** 81mm x 81mm for both layouts.

### Questions

If you have any further questions, please don't hesitate to contact our Production Manager Josh Luxmoore on (09) 300 6406.
